TRAA Trout Hatchery

**Brown Trout Eggs Arriving
Soon!**

The TRAA trout hatchery is a popular activity of the TRAA as it's a great teaching tool with regard to the life cycle of a trout. Those involved with the hatchery get to see firsthand the development stages of the egg and the fry before their final release destinations to area streams.

Volunteers attend to the operation every day to maintain the health and well-being of the trout. As the saying goes, many hands make light work.

TRAA Gear is now available!

Tee shirts, hats and stickers.

Many of you have already ordered the TRAA tee shirts, but if you haven't you had better hurry because many sizes

are almost sold out! These are a steal at \$15 each.

There are three different hat colours available: Clay Grey, Burnt Orange and Taupe. If you thought the tee's

were a good deal, all three editions of these hats are also priced at \$15

each.

We now have some nice stickers featuring the TRAA logo that you can

display on your vehicle, boat, lunchbox or wherever you like. These

are \$2 each but you get one for joining the TRAA as a member or

renewing an existing TRAA membership.

Get your TRAA Gear (makes a great Christmas gift!) at any TRAA event,

such as this coming General Meeting.
